16th Annual

REGISTRATION STARTS JAN 17, 2022!

With nearly 4,000 employees participated and 20,000 lbs of weight loss, the Total Transformation Challenge is a **PROVEN** effective method to help you lose weight and get stronger in as little as 3 months.

- Duration of the program: 12 weeks
- Suitable for all levels: Beginner, intermediate, and advanced
- Must be a member of the EWC to participate

Jump in this high-energy class that combines cardio training and martial-arts-infused kickboxing! During each full-body workout, participants assault heavy bags with all four limbs, working arm, leg, buttock, and core muscles while expending calories and improving balance.

- Duration of the workout: 30-45 minutes
- Suitable for all levels: Beginner, intermediate, and advanced
- All you need are your Kickboxing Gloves and Tons of energy to burn!

LMR is the solution for busy professionals who are looking for an effective workout in a short period of time.

- Duration of the workout: 20 minutes
- Suitable for all levels: Beginner, intermediate, and advanced
- Targeted muscle groups
- Recommended 1-2 times a week
- Try one class at a time or challenge yourself to a full **POWER HOUR!**

SPEEDLINE
The 30-Minute Total -Body Workout

SPEEDLINE : A Complete body workout that combines cardiovascular and strength training in 30 minutes or less.

- Duration of the workout: 30 minutes
- Builds all major muscle groups
- Suitable for all levels: Beginner, intermediate, and advanced
- Recommended 1-2 times a week
- **Call to schedule your first session! Very easy to learn**

Set your fitness goals in action with the new Boot Camp at the Employee Wellness Center. Develop your strength, stamina and speed with a variety of exercises like weight lifting, calisthenics, and plyometrics.

- Duration of the workout: 30 minutes
- Suitable for: intermediate and advanced
- Workouts change constantly
- Build muscle and incinerate fat
- **Outdoors Boot Camp: Saturdays at 9AM in front of Building 180**

“AVERAGE IS NOT AN OPTION!”
